

# DELAWARE

## DEMOCRATIC PARTY

### Mobile Messaging Privacy Policy

**a. User Opt In:** Our organization allows users to receive mobile messages by affirmatively opting in. Regardless of the opt-in method you utilized to join our organization, you agree that these Terms apply to your participation.

**By participating in our organization's activities, you agree to receive autodialed or prerecorded marketing mobile messages at the phone number associated with your opt-in.** While you consent to receive messages sent using an autodialer, not all of Our mobile messages are sent using an automatic telephone dialing system. **Message and data rates may apply.**

**b. User Opt Out:** If you do not wish to continue participating in our organization or no longer agree to these Terms, you agree to reply "STOP," "QUIT," "END," "CANCEL," "UNSUBSCRIBE," or "STOP ALL" to any mobile message from the Delaware Democratic Party in order to opt out. You may receive an additional mobile message confirming your decision to opt out.

T-Mobile and AT&T provide daily files for phone numbers that have been deactivated from their network or been ported from one carrier to another. We proactively opt-out deactivated numbers from our subscription list.

**c.** We will not be liable for any delays or failures in the receipt of any mobile messages connected with this Program. Delivery of mobile messages is subject to effective transmission from your wireless service provider/network operator, and is outside of Our control. T-Mobile is not liable for delayed or undelivered mobile messages.

**d.** The Delaware Democratic Party does not share text messaging opt-in data or consent with third parties for marketing purposes. Personal information, particularly data related to your consent to receive text messages, is only shared as necessary to fulfill obligations to you, such as processing donations or providing requested services. We ensure that this data is used solely for the purpose you have consented to and is not shared or sold for marketing or other purposes.

**e. MMS Disclosure:** We will send SMS TMs (terminating messages) if your mobile device does not support MMS messaging.

**f. Support Instructions: For support, email us at [delaware@deldems.org](mailto:delaware@deldems.org).**

Please note that the use of this email address is not an acceptable method of opting out. Opt outs must be submitted in accordance with the User Opt Out procedures set forth above.
